

## INNER PEACE & TRANQUILITY

### About this orgone

An orgone device is a substance made of resin, metals and quartz that strengthens your body's energy field, helping to protect you from negative energy and EMFs. Crystals work by exposing your energy body to a certain healing frequency, until your natural frequency is raised to resonate with the crystal's.

### Crystals

**Quartz:** Its metaphysical purposes are vast, from helping to expand consciousness to facilitating open communication and stimulating the chakras. For those needing clarity of mind, clear quartz healing properties will eliminate energy blockages and allow energy to flow smoothly throughout the body.

**Peridot:** Peridot minimizes stress and exhaustion and gives relief of jealousy, anger, bitterness, and greed. It is filled with friendly, loving energy, clearing the heart and releasing the ego. It is powerful in healing hurt feelings and mending broken friendships.

**Sodalite:** Sodalite brings order and calmness to the mind. It encourages rational thought, objectivity, truth and intuition, along with verbalisation of feelings. Sodalite brings emotional balance and calms panic attacks. It enhances self-esteem, self-acceptance and self-trust.

Sodalite balances the metabolism, boosts the immune system and overcomes calcium deficiencies. It combats radiation damage by soaking up electromagnetic smog. Sodalite treats the throat, vocal cords, larynx and helps with hoarseness and digestive disorders. It cools fevers, lowers blood pressure and stimulates the absorption of body fluids. Sodalite can also help to prevent insomnia.

**Snowflake Obsidian** - A stone of purity, Snowflake Obsidian brings about a balance to body, mind and spirit. Snowflake Obsidian can remove negativity from a space or person with ease. Volcanic in origin, Snowflake Obsidian helps to draw emotions to the surface and to examine harmful thought patterns. It symbolizes the need to regularly clear your body, heart, mind, and spirit of toxins that can prevent the free flow of positive energies.

### Other Material

**Copper:** Copper is known as the lucky metal, as well as the healing metal. It is the conductor of the spiritualist's belief system. Copper conducts spiritual energy back and forth between individuals, crystals, auras, the mind and the spirit world. Any stone with Copper, in or around it, is said to have enhanced properties.

**Aluminum:** Aluminium helps with the loss of identity, finding ourselves again, and who we really are and our task in life. It encourages a sense of reality, soberness and alertness at any given moment, aids recognition of the seductions of modern life as the illusions they are and helps us to deal with them.

All orgones are made using various shaped silicone molds and resin. Additional items and metals such as aluminum and brass may be included to create a unique design. A bit of glow powder was included.
