

INNER PEACE & TRANQUILITY

About this orgone

An orgone device is a substance made of resin, metals and quartz that strengthens your body's energy field, helping to protect you from negative energy and EMFs. Crystals work by exposing your energy body to a certain healing frequency, until your natural frequency is raised to resonate with the crystal's.

Crystals

Quartz: Its metaphysical purposes are vast, from helping to expand consciousness to facilitating open communication and stimulating the chakras. For those needing clarity of mind, clear quartz healing properties will eliminate energy blockages and allow energy to flow smoothly throughout the body.

Green Aventurine: Physically, Green Aventurine is an all-around healing stone with benefits for the lungs, liver, sinuses, and heart. Use Green Aventurine to loosen and release negativity and energy blockages, including disease. Some wear or carry Green Aventurine to increase intelligence, perception and creativity.
