

## INNER PEACE & TRANQUILITY

### About this orgone

An orgone device is a substance made of resin, metals and quartz that strengthens your body's energy field, helping to protect you from negative energy and EMFs. Crystals work by exposing your energy body to a certain healing frequency, until your natural frequency is raised to resonate with the crystal's.

### Crystals

This pyramid was designed based on the 7 Chakras. Chakras are the circular vortexes of energy that are placed in seven different points on the spinal column, and all the seven chakras are connected to the various organs and glands within the body. These chakras are responsible for disturbing the life energy, which is also known as Qi or Praana.

Each color starting from the tip of the pyramid represents one of the chakras with purple being the top. Crystals are added to each layer as follows:

**Purple:** Clear Quartz, **Indigo:** Blue Aventurine, **Blue:** Lapis Lazuli, **Green:** Green Aventurine, **Yellow:** Citrine, **Orange:** Carnelian, **Red:** Red Jasper

### Other Material

**Copper:** Copper is known as the lucky metal, as well as the healing metal. It is the conductor of the spiritualist's belief system. Copper conducts spiritual energy back and forth between individuals, crystals, auras, the mind and the spirit world. Any stone with Copper, in or around it, is said to have enhanced properties.

**Steel:** Steel's energies are highly projective and its associated with the planet Mars - the God of war. As such, it should come as no surprise that wearing stainless steel can be a little like donning spiritual armor. If you are looking to protect yourself from psychic attacks, extreme negativity or anything that would suck the energy right out of you, stainless steel is a good option

Additional metals such as aluminum, steel or brass are often included. Decorative rocks, sand or colored powders are often added to create a unique design.

### How to Use Orgone
