

INNER PEACE & TRANQUILITY

About this orgone

An orgone device is a substance made of resin, metals and quartz that strengthens your body's energy field, helping to protect you from negative energy and EMFs. Crystals work by exposing your energy body to a certain healing frequency, until your natural frequency is raised to resonate with the crystal's.

Crystals

Clear Quartz: Its metaphysical purposes are vast, from helping to expand consciousness to facilitating open communication and stimulating the chakras. For those needing clarity of mind, clear quartz healing properties will eliminate energy blockages and allow energy to flow smoothly throughout the body.

Amethyst: Amethyst healing properties are as plentiful as the stone itself. It is thought of mostly as a protective stone. As it is linked to the crown chakra, it is helpful in purifying the mind and clearing it of negative thoughts. This includes the negativity of stress and anxiety, which is why many meditate with amethyst so as to rid themselves of that darkness. Amethyst healing properties are especially useful in regards to work-related stress, because the stone is also associated with abundance; therefore relieving stress while emanating prosperity. The amethyst properties which facilitate intuition and communication can also be applied to increased work effectiveness.

Lepidolite: Aids Stress and Brings Emotional Healing. Lilac Lepidolite is an excellent stress relief stone, as it contains lithium. It is a soothing calming stone that will help you if you are feeling anxious, stressed or depressed.

Ocean Jasper has the ability to bring about physical, mental, and emotional healing. The ability to bring tranquility and deep calm has restorative effects that make Ocean Jasper a powerful crystal with profound healing powers. Also, Ocean Jasper is also a comforting stone and conveys peace of mind. It is also a stone of happiness and recreation, which is great for facilitating support at your home or workplace.

Carnelian: A stabilising stone, Carnelian restores vitality and motivation, and stimulates creativity. It gives courage, promotes positive life choices, dispels apathy and motivates for success.

Other Material

Copper: Copper is known as the lucky metal, as well as the healing metal. It is the conductor of the spiritualist's belief system. Copper conducts spiritual energy back and forth between individuals, crystals, auras, the mind and the spirit world. Any stone with Copper, in or around it, is said to have enhanced properties.

Additional metals such as aluminum, steel or brass are often included. Decorative rocks, sand or colored powders are often added to create a unique design.
